

Please be aware:

The information on the following sheets represents a preliminary survey of this collection. It may well be incomplete, inaccurate, or otherwise out-of-date. This collection may also be, in part or in whole, restricted against access for reason of privacy or other legal issues. This listing is provided to help researchers find potential sources, and to help MASC track unprocessed materials internally. It is strongly suggested that you contact us directly before making any sort of lengthy trip to MASC to view these.

Due to the nature of the presentation of each guide, it is possible the origin and location of this collection may be unclear from this page. If you need to identify the source but are unable to do so, look for the filename (minus the suffix – e.g. if you're looking at ua1996-04.pdf, then search for ua1996-04) within the following page:

Transferred from Facilities Operations to Holland Library Archives, 5/19/00 by Rick Ward
UA2000-15. Incinerator, Animal Sci., Records.

Animal Sciences Laboratory Building

Building #100

- Design development phase specifications, (10/21/1994)
- Executive Report: Design development value engineering (test and screen alternatives), (11/11/1994)
- Workbook and preliminary idea listing: Design development value engineering (test and screen alternatives), (11/11/1994)
- Energy conservation report/life cycle cost analysis, rev. 02/28/1995
- Correspondence

New Incinerator

Building #60

- Program for the incinerator facility
- Design development submittal
- Conceptual design analysis
- Environmental impact statement for WSU replacement medical waste incinerator (2 volumes) (October, 1996)
- Trade specifications for WSU incinerator upgrades (September, 1995)
- Draft of the environmental impact statement for the replacement medical waste incinerator (December, 1995)
- Draft of the environmental impact statement for the replacement medical waste incinerator (March, 1996)
- Refractories (2 pamphlets)
- Draft WSU reasonably available control technology incinerator study
- WSU opinion of probable costs for pathological & solid waste incinerator
- Draft WSU site selection study for pathological waste incinerator
- Incinerator costs proposals
- Early Correspondence
- 90% submittal specification 15566 and 15888
- Meeting Notes
- Utilities
